Institute of the International Association for Research and Testing in the Field of Textile Ecology

The company

TEBO a.s.

Hradecka 295

37842 Nova Vcelnice, CZECH REPUBLIC

is granted authorization according to Oeko-Tex® Standard 100 to use the Oeko-Tex® mark, based on our **test report 10.0.79595/E**

Tested for harmful substances

according to Oeko-Tex® Standard 100

02.0.4397

Hohenstein

for the following articles:

Woven and knitted fabrics made of 100 % polyamide, 100 % polyester and polyester/cotton, dyed, partly finished with biological active products accepted by Oeko-Tex®, produced by using Oeko-Tex® certified material.

The results of the inspection made according to Oeko-Tex® Standard 100, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of Annex XVII of REACH (incl. the use of azo-dyes, nickel, etc.) as well as the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the Oeko-Tex® mark only in conjunction with products that conform with the sample initially tested.

This authorisation is valid until 30.09.2011

Boennigheim, 30.08.2010
